To whom it may concern,

It is with great pleasure that I write this letter of recommendation. I have known Keith Dunn (KD Cop), professionally, for around 5 years. I have been to several of his presentations. He has an innate ability to mold his presentations to his audience. His background in Liberal Arts is evident the moment you see him perform for his audience. The information he gives in his classes are of a very serious nature, but the way he presents himself, especially to students, is done in a way so as to keep his audience attentive and entertained.

Keith (KD Cop) has done his presentations on Sexting, Cyber-Bullying, and Predators for a wide range of audiences. Law enforcement, students, faculty, and parents from around the country have learned so much from his experiences and his teachings. It is for these reasons that I highly recommend Keith.

Yours truly,

A handwritten signature in black ink, appearing to read "Adam Erskine".
